BSZ SURGICO

CANNULAS
Custom Made to Order

At we make it easy! Select from over 15,000,000 different cannula combinations by following these (10) ten easy steps.

CONSERVATIVE

Select from 52 tip styles, 4 tip shapes, 12 standard lengths, 14 standard diameters, 5 basic curve options, 22 handles, choose vent holes or not, choose perfect alignment or not, or simply create your own custom cannula.

Our manufacturing process begins by selecting the highest quality stainless steel. Each cannula is then precisely machined, polished and assembled to your own specifications.

All Cannulas are manufactured by Wells Johnson and carry a lifetime warranty against defect.

AGGRESSIVE

Our ergonomic Champagne Cannula™ Handle provides perfect balance.
